

**Dorchester County Career and Technology Center  
Academic and Career Agreement Form  
2011-2012**

I understand and agree to follow and/or help enforce the following:

- \_\_\_\_\_ a student at \_\_\_\_\_ will  
Student Name High School Name  
attend Dorchester County Career and Technology Center for the entire school day with special permission from the school district. Lunch will be available on site.
- Students will remain enrolled at their respective high school and can participate in extracurricular activities (athletics, etc.) with permission from parent and/or guardian.
- Students will graduate from their respective high school after meeting graduation requirements.
- The same grading scale and report cards schedule will be used.
- Students will take required academic and career courses on our Dorchester campus.
- Students will be required to remain enrolled on our Dorchester campus for the entire 2011-2012 school year.
- DCCTC and respective high school rules and regulations will be followed when on the career center premises.
- Students will observe all established attendance laws.
- Bus transportation will be provided by the school districts. (Optional: Students may drive to school with parental permission and park on campus with proper parking permit from DCCTC. No student will be allowed off campus without notification from parent and DCCTC administration.)
